Re: Dog licensing

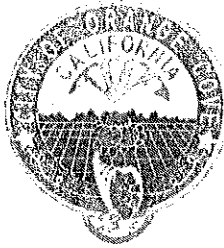

I Officer Diaz, have been with the Orange Cove Police Department for over a year. I now oversee the animal control shelter and have been doing so for the last 10 months. During the course of my duties I have noticed many dogs are not properly licensed or registered by their owners. Making it very difficult to locate owners or responsible parties when pets are located.

I respectfully request a day to have a free dog license and registration by waiving the \$13.00 fee if council approves. Having dogs properly licensed will benefit dog owners and our department. As this will create a better tracking system for lost, misplaced, or identifying deceased animals. The ability to reunite pets with their owners will be much more effective and efficient.

The event is planned to be held on Saturday, November 21st at Eaton Park. We will be practicing social distancing for the safety of the public. I hope council will consider and approve this matter which is intended to better serve our community.

Respectfully,

Officer Diaz

Subject: Approval of Contract with Allied Weed Control for Weed Control Services.
Attachments: 1.Map of Rails to Trails from Hills Valley Road to Anchor Ave.
2.Proposal from Allied Weed Control.

BACKGROUND:

The city's Rails to Trails need weed control during the months of active rainfall. The pre and post-emergent herbicide application will stop the germination of weeds and allow staff to get control on the weeds on the rails to trails .For your information, the last time the rails to trails was sprayed with per and post-emergent herbicide was 2013.

The proposed weed control service will help public works department control the weeds that accumulate during the rainfall. In addition, this weed control application will decrease the purchasing of chemical cost and reduce staff time spent on the rails to trails.

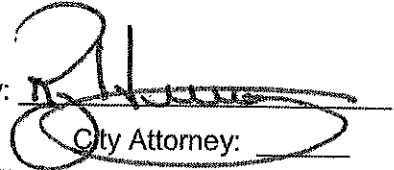

RECOMMENDATION:

Staff recommends that the City Council approve the contract with Allied Weed Control for weed control services.

FISCAL IMPACT:

The \$4,250 will be funded from the City's General Fund.
