STATEMENT ON RULES OF DECORUM AND ENFORCEMENT

The Brown Act provides that members of the public have a right to attend public meetings, to provide public comment on action items and under the public forum section of the agenda, and to criticize the policies, procedures, or services of the city or of the acts or omissions of the city council. The Brown Act also provides that the City Council has the right to exclude all persons who willfully cause a disruption of a meeting so that it cannot be conducted in an orderly fashion.

During a meeting of the Orange Cove City Council, there is a need for civility and expedition in the carrying out of public business in order to ensure that the public has a full opportunity to be heard and that the Council has an opportunity to conduct business in an orderly manner. The following is provided to place everyone on notice of the rules of decorum and enforcement.

GENERAL RULES OF DECORUM

While any meeting of the City Council is in session, the following rules of decorum shall be observed:

1. All remarks shall be addressed to the City Council as a whole and not to any single member, unless in response to a question from a member of the City Council.
2. A person who addresses the City Council under public comment for a specific agenda item or under the Public Forum section of the agenda may not engage in speech or conduct (i) which is likely to provoke others to violent or riotous behavior, (ii) which disturbs the peace of the meeting by loud and unreasonable noise, (iii) which is irrelevant or repetitive, or (iv) which disrupts, disturbs, or otherwise impedes the orderly conduct of any City Council meeting.
3. A person, other than members of the Council and the person, who has the floor, shall not be permitted to enter into the discussion unless requested by the mayor to speak.
4. Members of the City Council may not interrupt a person who has the floor and is making public comments. Members of the City Council shall wait until a person completes his or her public comments before asking questions or commenting. The mayor shall then ask Councilmembers if they have comments or questions.
5. No person in the audience at a Council meeting shall engage in disorderly or boisterous conduct, including the utterance of loud, threatening or abusive language, whistling, stamping of feet or other acts which disturb, disrupt or otherwise impede the orderly conduct of any Council meeting.

ENFORCEMENT OF DECORUM RULES

(Resolution No. 2012-16)

While the City Council is in session, all persons must preserve order and decorum. A person who addresses the city council under public comment for a specific agenda item or under the Public Forum section of the agenda may not engage in speech or conduct which is likely to provoke others to violent or riotous behavior, which disturbs the peace of the meeting by loud and unreasonable noise, which is irrelevant or repetitive, or which disrupts, disturbs, or otherwise impedes the orderly conduct of any City Council meeting.

The mayor or other presiding officer shall request that a person who is breaching the rules of decorum cease such conduct. If after receiving such a warning, the person persists in breaching the rules of decorum, the mayor or other presiding officer may order the person to leave the City Council meeting. If such person does not leave, the mayor or presiding officer may request any law enforcement officer who is on duty at the meeting as sergeant-at-arms to remove the person from the Council Chambers. In the event there is no one from law enforcement present, the mayor or presiding officer may direct the City Manager to contact law enforcement.

In accordance with the Point of Order Rule 4.6, the majority of the Council may overrule the mayor if the majority of the Council believes the mayor or other presiding officer is not applying the rules of decorum appropriately.

INITIATIVE MEASURE TO BE SUBMITTED DIRECTLY TO THE VOTERS

The Orange Cove City Attorney has prepared the following title and summary of the chief purpose and points of the proposed measure:

CONTINUES ORANGE COVE POLICE AND FIRE SPECIAL TAX. This measure proposes to amend existing Ordinance No. 368 which added Chapter 3.34 to the Orange Cove Municipal Code. Chapter 3.34 establishes a special parcel tax. Single family residential will be taxed \$95 annual; multi-family residential will be taxed \$65 per unit annually; agricultural parcels will be taxed \$95 annually; commercial parcels will be taxed \$495 annually; and industrial parcels will be taxed \$750 annually.

Currently, Chapter 3.34 has a sunset clause which would cause the special parcel tax to expire on November 30, 2024. The proposed measure will amend Chapter 3.34 to remove the sunset clause and allow the special parcel tax to continue, without expiration, until repealed. The proposed measure will not amend the amounts of the parcel tax established in Ordinance No. 368, it only seeks to remove the sunset clause. Instead, the proposed measure will prevent the ending and re-starting of the police and fire special tax, and will allow the special tax to continue on.

NOTICE OF INTENTION TO CIRCULATE PETITION

Notice is hereby given by the persons whose names appear hereon of their intention to circulate the petition within the City of Orange Cove for the purpose of Measure O. A statement of the reasons of the proposed action as contemplated in the petition is as follows:

Measure O proposes to raise revenue for police and fire protection by removing the sunset clause from the existing police and fire parcel tax, which is set to expire in November 2024. By removing the sunset clause, Measure O proposes to continue the police and fire parcel tax beyond November 2024, without expiration, until repealed by the voters. Measure O is a continuation of a parcel tax on each parcel of real property in the City. The tax would be paid in addition to current State and local property taxes and would be collected at the same time and in the same manner as the existing real property taxes. Approval of Measure O will not change anyone's assessment and 100% of funds stay in Orange Cove and can only be spent on our police and fire. Measure O continues the highest level of public safety which residents expect and have experienced since its adoption, including rapid-response emergency and life-saving services, top-tier fire and police protection, as well as continuing improvements in response times and crime prevention.

Measure O proposes that the parcel tax continue to be used to fund police and fire protection and prevention services. The City is legally bound to use the funds for police and fire prevention and protection. The Measure provides for a citizen oversight committee to ensure the funds are spent as intended by the voters.

Measure O will protect lives and maintain the highest level of safety in Orange Cove by providing needed funding to police and fire. Every penny of Measure O funds remain in Orange Cove to protect residents, homes, schools, businesses and property. It provides approximately \$263,965 annually, which went directly to our Fire and Police budgets.

Approval of Measure O will prevent cuts in public safety personnel and equipment that could result in longer police and fire response times and reductions in service. In an emergency, every second matters. Measure O protects our community and keeps our police and fire services top-tier for the residents of Orange Cove.
